   **(Community Emergency Coordinator)]

Generally, the LEPC provides the county Emergency Management Agency this data for planning and response purposes. At the request of the Region 22 Emergency Manager and under the auspices of and with the approval of the Region 22 Local Emergency Planning Committee, (LEPC), the data normally reported here for use by citizens and first responders is retained by the LEPC. It is the responsibility of the LEPC to make this data available to citizens upon request, following the process and protocols as described within SARA Title III regulations.

The public and responders can also access information about chemicals stored in local facilities on-line at: https://deq-iis.ne.gov/tier2/

or on the NDEQ web site: www.deq.state.ne.us, go to the search box, lower left, enter: “SARA Title III”, click “Online NDEQ Tier II System”. Follow the step by step instructions and menu boxes.
FACILITIES and VULNERABLE AREAS in CITY/VILLAGE/COUNTY

Extremely Hazardous Substances and chemicals in reportable quantities for the facility are listed on the DEQ website: www.deq.state.ne.us, use the search words: “SARA Title III”.

This information is kept current at the Region 22 Emergency Management Office and at the Nebraska Department of Environmental Quality. All Fire Departments also receive this information. This information is revised and maintained annually by Region 22 Local Emergency Planning Committee (LEPC).
